

## **Join Us in Building the Kingdom of God!**

**Nurse Manager Opportunity at The Life Center of Santa Ana.** Are you a dedicated and compassionate nurse leader looking to make a profound impact in the lives of women and families? The Life Center of Santa Ana, a non-profit Catholic pregnancy care center, invites you to join our team as a **Nurse Manager for our Physician's Office**. This is a unique part-time paid opportunity to provide life-affirming, Christ-centered care, offering hope and support to those facing unexpected pregnancies. If you're passionate about healthcare, the sanctity of life, and helping women choose life, we would love for you to become part of our mission!

### **About Us:**

At The Life Center of Santa Ana, we are committed to advancing the culture of life by building Christ-centered relationships that serve those at risk for abortion, and providing the real support needed to choose life. Our center provides compassionate care and practical resources to empower families to embrace life and navigate pregnancy with hope and confidence. As Nurse Manager, you will be at the forefront of this mission, overseeing patient care while ensuring that all medical services are delivered with excellence, love, and respect for every individual we serve.

### **Your Role:**

As the **Nurse Manager for the Physician's Office**, you will play a critical role in the daily operations of our medical office, overseeing the care provided to our clients. You will ensure that every patient receives compassionate, high-quality care, while also maintaining a safe and efficient clinical environment. You will provide the physical, emotional, and spiritual support needed during a pivotal moment in each patient's life.

### **Your responsibilities will include:**

- **Leading & Inspiring:** Oversee and support the office, ensuring compassionate care and fostering a life-affirming environment for patients.
- **Managing Patient Care:** Direct and perform nursing care, conducting patient assessments, and ensuring all medical procedures and treatments are implemented according to physician orders.
- **Empowering Families:** Reinforce the humanity of the unborn child with patients, providing education, counseling, and emotional support to help them navigate their pregnancy journey.
- **Ensuring Compliance & Safety:** Ensure the clinic adheres to all healthcare regulations, including HIPAA, OSHA, and CLIA, while leading continuous quality improvement efforts.
- **Supporting Staff Development:** Recruit, train, and mentor a compassionate team of volunteers who are aligned with our mission of offering life-affirming care.
- **Using Technology for Good:** Lead the use of medical technologies, including performing limited OB ultrasounds, and ensure that all patients receive accurate and compassionate care.

### **Why Join Us?**

- **Make an Eternal Impact:** Your role directly affects the lives of mothers, families, and their unborn children, offering them the medical care and emotional support they need during a critical time.
- **Live Your Faith:** This position offers the opportunity to live out your Catholic faith through every interaction, combining your nursing expertise with a commitment to the sanctity of life.
- **Empower Women and Families:** Be part of a team that provides more than just medical care; offer spiritual and emotional support that empowers families to choose life.
- **Flexible Commitment:** We understand that your time is valuable. Serve in a flexible, paid role that allows you to contribute meaningfully without the constraints of a full-time position.

#### **Qualifications:**

- A **current nursing license** in good standing with the State Nursing/Medical Board (or OB credential if applicable)
- A **heart for service** and a deep commitment to the mission of The Life Center of Santa Ana
- Experience in **nursing leadership**, including the ability to supervise and mentor a team
- **Strong interpersonal and spiritual** skills, with the ability to communicate effectively with patients, families, and staff
- Ability to perform **limited OB ultrasound** and a willingness to participate in training to maintain competency
- Alignment with **The Life Center's Catholic Statement of Faith** and commitment to the sanctity of life from conception to natural death

#### **Ready to Make a Joyful Impact?**

If you feel called to lead with compassion and provide life-affirming care to women and families in need, we would love to hear from you!
